

MAKE A CHANGE IN MADAGASCAR

ORPHANS & VULNERABLE CHILDREN

Join us and make a CHANGE in Madagascar, bringing hope to vulnerable children and their communities. With just \$15 you can provide a month of education for an orphan or a month of support for a foster family taking care of a vulnerable child. Your generosity provides shelter, food, education and a brighter future for these resilient young Malagasies.

Together we can transform lives, providing tangible hope to those who seem to have none.
