

ECUADOR STUDY TOUR AGREEMENT

Andrews University • School of Social & Behavioral Sciences • May 2023

Student Name

AUID

I agree to participate in the Behavioral Sciences Ecuador Tour directed by Dr. Herb Helm, which will take place in May 2023. The total cost of the study tour is equivalent to 6 credits of undergraduate tuition plus the \$500 tour fee. The tuition rate charged will be as listed in the Andrews University Bulletin. I commit and agree to paying this total amount subject to the information provided below, independent of whether I receive academic credit or not.

I acknowledge and agree that after reservations have been made in my name - including, but not limited to, airfare, lodging, transportation, entrance fees, etc - I will be responsible for bearing the cost of any cancellation or change fees or the complete cost if it is not refundable.

I acknowledge and agree that, by signing this document, I am committing to paying the entire Study Tour cost. If, for any reason, I change my plans and cancel my participation in the study tour, I recognize that I will be responsible for up to the entire amount of the study tour cost. The University will work to find a suitable replacement or to otherwise minimize and reduce the costs I would need to bear, but I fully accept that I may have to pay up to the full amount of the study tour cost if I withdraw from the study tour. I authorize Andrews University to charge me up to the full amount of the study tour.

The cost of the study tour covers tuition at Andrews University (and the academic and educational costs associated with generating those credits), airfare, lodging, entrance fees to museums, parks, etc., and meals as indicated on the itinerary. I recognize that all other costs associated with my participation in the study tour (including meals not listed on the itinerary) will be my personal financial responsibility.

I agree to participate in all academic, social, and spiritual activities required prior to the beginning of the tour, and during the tour, and I acknowledge that any failure to participate or any poor quality participation will affect the grade(s) I receive as part of this study tour experience.
