

PASSPORT INSTRUCTIONS

Andrews University • School of Social & Behavioral Sciences • May 2025

You will need a valid passport to join the Peru Tour. Your passport will need to be valid through at least November 7, 2025 (a minimum of 6 months after entry to Peru). If you don't have a passport or one that is expired/expiring we recommend you apply for a passport as soon as possible so that you can ensure you get it in time.

By March 7, 2025 send a photo or scan of the picture page of your passport (the page with your info on it) to Erica Bradfield at bradfiee@andrews.edu. You can also bring your passport into the office and we can make a scan of it for you.

Here's a decision making tree in case it's helpful :)
