### ADDITIONAL INFO

Fall and spring semesters at Andrews University are 16 weeks in length. The CIEP summer semester is a full 16-week semester condensed into an intensive eight weeks. Students in the CIEP Language Credit Program take a full load of English-as-a-Second-Language classes in CIEP (other Andrews classes are excluded). A full load is 12 credits per semester, but you can choose to take up to an additional 4 credits in both fall and spring semesters at no additional charge.

Students receive a certificate upon completion of the CIEP Language Credit Program. All academic credit earned in the program can be transferred to your home institution (the credits cannot be transferred to other programs at Andrews). If you decide to apply to Andrews as a degree-seeking student, you must meet all of the University's admission requirements. Completion of the Language Credit Program will count towards meeting the University's language proficiency requirement.

Andrews University is located in Berrien Springs, Michigan. Within driving distance are the picturesque beaches of Lake Michigan, historic St. Joseph, and many shopping and dining options. Chicago is a little over 90 minutes away. As an English-language student at Andrews, you will have plenty of opportunities to experience American culture and develop real-life communication skills in English!

To apply, please contact CIEP for an application. We'd also be happy to answer any questions. Once we receive your application, we will help you through the pre-arrival process, including acquiring a student visa. We are looking forward to hearing from you!

Do you want to improve your English? Do you want to study in an English-speaking environment? The Andrews University Center for Intensive English Programs (CIEP) offers the CIEP Language Credit Program for students who would like to study English for one year at an American university—and earn academic credit for it.

**SAVE MONEY**

Pay a discounted tuition rate of over 50 percent off the regular university tuition rate.

**Take free classes**

during both fall and spring semesters. Pay for a full load of classes and take an additional class for free.

**UPGRADE YOUR ENGLISH SKILLS**

Develop authentic communication skills in English through core classes in grammar, reading and writing, and listening and speaking. Skill-building classes help you master pronunciation, critical thinking skills, conversation skills, knowledge of slang and idioms, and the ability to write academic papers in a university context.

**EARN ACADEMIC CREDIT**

Study English as a Second Language for one academic year in an American university setting and return home with academic credit to transfer to your college or university. Pay a discounted tuition rate of \$5,400 per semester.\* At \$450 per credit, this is over 50 percent off regular university tuition. Plus, take an extra class for free in both fall and spring semesters once you are registered for a full load of classes. Choose to stay for the summer semester for an additional discounted rate.

\*Tuition only. Does not include airfare, room, board and other fees.
