JOIN US FOR

# MISSION: INVENT

Generate excitement for STEM, creativity and problem-solving with an in-class engineering activity. Join us on **June 23, 2025**, for **Mission: Invent** at Andrews University! Students, parents and educators will come together from across North America to celebrate these amazing projects. Boost enrollment, retention and engagement. Opportunities for:

- School and teacher recognition (FREE marketing)
- Winners banner to hang in your school
- Prizes/trophies/scholarships for attending winners
- Exciting opportunity for students to meet other Adventists and share their achievements
