- Categorical/Technologist Students: The categorical clinical practicum's length depends upon individual scheduling. However, it can never be completed before the middle of May. Certification eligibility dictates that the categorical program must be equivalent to one academic year.
- Online MLT to MLS Students: Follow the on-campus calendar as applicable.

Note: This document is provided for your convenience. The clinical program follows the published University schedule. Should the administration change the schedule or errors be found in this document, it will be adjusted accordingly.
