

## 2025-2026 REQUEST TO CANCEL FEDERAL FINANCIAL AID PROCESSING

## NAME \_\_\_\_\_

ID #\_\_\_\_\_

Having begun the application process for federal financial aid, I now request that the Student Financial Services office at Andrews University cancels my application. I do not wish to participate in the federal financial aid program at this time.

O This is a temporary request while I work out my financial clearance through other means. I intend to submit the remaining documentation as soon as I am able. I understand that Student Financial Services will reinstate the requirements later.

O This is a permanent request. Please remove all requirements related to federal financial aid, and do not reinstate them at a later date. **Note:** You may still choose to apply for federal financial aid at a later time during the school year.
