October 2024

Pumpkins, colored leaves, and geese flying overhead along with crisp, cool air are all elements that tend to make me think of fall (autumn). There are things that I love about fall and things of which I am not so fond. I love the cool, crisp air, but at the same time hate that it signifies colder weather coming. I am not a fan of the extreme cold. The leaves and pumpkins and even the faded stalks of corn, though, are beautiful! I could look at all the colors for long periods of time—especially in those regions of the country where they seem particularly spectacular, like New England. There, they have red leaves which defy any description. There is no way for me to tell you just what it is like to see the colors of the leaves in New England. It's a "You have to be there" type of thing. I wonder if that is a little like how heaven will be. The bible tells us that we don't know; we can't begin to imagine the things that God has prepared for those who love Him (I Cor. 2:9-10). It seems like it will truly be a "You have to be there" or "You have to see it for yourself" or "You have to see it to believe it" type of thing. I know I want to be there. Don't you?

Thank you for your cooperation in the following matters:

Are you moving?

Have you turned in a 30-day notice?

Rent will be charged for a minimum of 30 days after we are informed that you are moving.

If your lease has not expired, you will have to find someone to take over your lease or pay rent through the expiration of your lease.

If you have a bike, but you have not registered it yet, please come to the Housing Office. The registration is simple, easy, and fast. Thank you!

Please Be Quiet

Please remember that most of our tenants are students. They may be either trying to study or trying to sleep. Thank you for thinking of others and keeping your conversations and other activities quiet in and around our buildings.

Please do not put wipes down the toilet. Our plumbing will not handle it and you will end up with a clogged toilet. Thank you.

The garbage disposals were only made to take care of your table scraps. Please DO NOT place anything else down them or they will break.

Please Note: If you have a balance of \$50 or more after the 10th of the month, you will receive a late fee and a hold will be placed on your account.

If you have mail that is not addressed to you and/or members of your household, please bring that to the office regularly. We will take care of it. It is a Federal offense to hold onto the mail of someone else.

Please note: If it is addressed to "Resident" or "Occupant," that means you. If you do not want it, please throw it out.

The school year has begun, but people are still out running, walking, playing sports and riding bikes/skateboards. Parents, please remind your children that riding bikes/skateboards near the apartments is VERY dangerous for them and for someone who may accidentally be hit. The long sidewalk between Garland and Beechwood is where bikes and skateboards should be ridden.

Also please remind them that our tenants are students and need quiet time for study and sleep. There are playgrounds by Garland G and Garland F as well as basketball courts behind Garland F and Garland G that are very good places to play. Please remind them to play there instead of in and around the buildings.

Lastly, there have been some complaints about the excessive speed of cars along the roads beside/behind the apartments and in the parking lots. This is very dangerous as someone could run/ride out in front of a car at any time. Please be sure to drive slowly and cautiously so as to ensure the safety of everyone in and around the apartments.
