

Anderline Bredy is originally from Grand Goave, Haiti, relocated to US in 1988 and became a naturalized citizen in 1992. Anderline grew up in a God-fearing household with her older brother, Erwin. Her mother, Marie understood that only God could help raise her children; thus, she faithfully committed her children to prayer. Anderline's grandfather was a great influence in Anderline's life as pastor, who devoted his life to preaching the gospel and serving humanity by building a church and an orphanage for people of Grande Goave, Haiti.

Anderline has called Connecticut home and grew up in the Seventh-day Adventist church. Anderline was very active in Adventures, Pathfinders, and youth activity. Anderline felt an early call to minister at the age of six years old, but she had numerous questions around her love for science, which denied God. These questions led to a spiritual journey from atheism back to Seventh-day Adventism and the love for Biblical principles.

Anderline is presently finishing her Master of Divinity and Masters of Social Work at Andrews University. While completing her degrees, Anderline finds opportunities to engage in God's mission as a graduate assistant for the Center of Youth Evangelism and Journal of Applied Christian Leadership and as a leader/chaplain for Seminary Worship Committee, Seminary Student Forum, and Haitian American Graduate Student Association. In addition, Anderline has worked as a social worker with Child Advocate, Child & Family Services of Southwestern Michigan, Inc. and Family First Worker, Lewis Cass Intermediate School District.

Anderline has held numerous leadership roles in business and in church, but her fondest roles are as mother to her daughter, Danielle, and the Lord's co-laborer in Christ Jesus. Anderline's favorite verses are 2 Corinthians 5:17, which says "therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here" and Psalm 46:10, which says "He says, "Be still, and know that I am God; I will be exalted among the nations, I will be exalted in the earth." These verses speak to the transformational life that God provides us as we journey with him.
