## ATTENDANCE

Regular attendance is required at all classes and other academic appointments. When the total number of absences exceeds 10% of the total course appointments, the teacher may assign a failing grade. Merely being absent from campus does not exempt the student from this policy. Absences recorded because of late registration, suspension, and early/late vacation leaves are not excused. The class work missed may

be made up only if the teacher allows. Three tardies are equal to one absence.

## TIME EXPECTATIONS FOR THE COURSE

### US Credit-Hour Regulations

For every semester credit, the Andrews University credit hour definition requires that:

- **Courses for academic masters’ (e.g. MAPM) degree** include 15 instructor contact hours, and 45 hours of independent learning activities per credit.

**The calculation of hours is based on the study skills of the average well-prepared graduate student.** Students weak in these skills: 1) may require more time and should consider taking fewer classes each semester; and 2) can find skill development assistance through the Seminary Study and Research Skills Colloquia, the AU Writing Center, and AU Student Success office.

In order to achieve the outcomes of this course, learning time will be distributed as follows:

	<b>Professional Masters’ Programs</b>

## APPENDIX 1: INTERPRETING LETTER GRADES

### **Letter Grades and Percentages**

95-100%	<b>A</b>	80-84%	<b>B</b>	65-69%	<b>C</b>
90-94%	<b>A-</b>	75-79%	<b>B-</b>	60-64%	<b>C-</b>
85-89%	<b>B+</b>	70-74%	<b>C+</b>	55-59%	<b>D</b>
				58-Below	<b>F</b>

### ***THE B GRADE***

The B grade is a sign that you have competently fulfilled all of the requirements stipulated for an assessment or competency evaluation. It is a very good grade and demonstrates a high level of the knowledge, insight, critical competence and professional presentation standards essential for an individual wishing to pursue a career as a professional leader in ministry.

### ***THE A GRADE***

An A grade is given only when a student not only fulfills the criteria for a B grade, but in doing so demonstrates an advanced academic aptitude for content knowledge, critique, synthesis and independent insight, while exhibiting highly developed communication skills and professional publication standards that would allow them to pursue a highly competitive academic career.

### ***THE C GRADE***

The C grade differs only from a B grade in that the traits outlined in the B grade above are not consistently applied. However, with diligence and by applying feedback from your lecturer, the academic process can provide opportunity for a student to improve their consistency, and hence, their grade.

#### ***THE D GRADE***

The D grade points to a limited level of knowledge, insight, and critique, as well as to inadequate quality of written work. This may be because of a lack of time management on the part of the student, difficulty grasping the concepts being taught, use of English as a second language, or a personal issue that is affecting one's concentration and motivation levels. Again, with diligence, applying feedback from your lecturer, and seeking services offered by the University like the writing lab or the counseling center, the academic process can provide an opportunity for a student to significantly improve their performance.

#### ***THE F GRADE***

A failing grade is given when very limited or no demonstrable competency has been observed or when the final assignment is not submitted within the dates indicated in the Course Overview Table.
