

Andrews University – World Changers Made Here

CHANGE HUB - <https://www.andrews.edu/changehub/>

This is the Andrews University online meeting place that facilitates and features service and community engagement at home and abroad, local and global. Here, our words: *Affirm Faith, Seek Knowledge, Change the World* can begin to become real. This is where Andrews University World Changers - students, staff, and faculty - offer our talents, resources, passions and skills to make the world around us a better place. Regardless of major, nationality, background or interests, at Andrews we believe everyone can make a difference in this world, local and global, online and off.

CHANGE DAY - <https://www.andrews.edu/changehub/day/>

As part of our intentional and coordinated commitment to our community, we hosted our first ever campus-wide community service day on **September 14, 2017**, called **Change Day**, in keeping with the spirit of our motto and in honor of J. N. Andrews' first mission trip that was on September 15, 1874.

Approximately 1,600 students, staff and faculty served 63 sites across Berrien County. Projects ranged from painting a mural in a school, cleaning beach areas and parks, removing brush and mulching, to offering hundreds of high school students information about career choices. Change Day is not meant to be the end all and be all of making a difference in our local community. Rather it highlights our year-long campus-wide commitment of service to the community. Mark your calendars: **September 13, 2018** for our next Change Day.

CHANGE LOCAL - <https://www.andrews.edu/changehub/local/>
