

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.asrhealthbenefits.com. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary or call 616-957-1751 or 1-800-968-2449 to request a copy.

Important Questions	Answers	Why this Matters:
<p>What is the overall <u>deductible</u>?</p>	<p>\$500/covered person or \$1,000/family for services rendered by <u>in-network providers</u>, and \$3,000/covered person or \$6,000/family for services rendered by <u>out-of-network providers</u>.</p>	<p>Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u>, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u>.</p>
<p>Are there services covered before you meet your <u>deductible</u>?</p>	<p>Yes. <u>In-network preventive care</u>, most <u>in-network</u> physician exam charges (primary care, <u>urgent care</u>, <u>specialist</u> visits), a hospital's fee for the use of an emergency room, chiropractic care, <u>In-network</u> hearing exams, and <u>prescription drug coverage</u> are covered before you meet your <u>deductible</u>.</p>	<p>This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without cost-sharing and before you meet your <u>deductible</u>. See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other <u>deductibles</u> for specific services?</p>	<p>No.</p>	<p>You don't have to meet <u>deductibles</u> for specific services.</p>
<p>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</p>	<p>The <u>out-of-pocket limits</u> for medical <u>coinsurance</u> are \$2,850/covered person and \$5,700/family for services rendered by <u>in-network providers</u>, and \$5,000/covered person and \$10,000/family for services rendered by <u>out-of-network providers</u>. The total <u>out-of-pocket limits</u> for medical services are \$4,350/covered person and \$8,700/family, and they apply to services rendered by <u>in-network providers</u> only. These figures include the <u>deductibles</u> and the <u>coinsurance out-of-pocket limits</u> shown above as well as <u>in-network</u> medical <u>copayments</u>.</p>	<p>The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u>, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.</p>

Important Questions	Answers	Why this Matters:
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?, cont.	The <u>out-of-pocket limits</u> for prescription costs are \$2,800/per covered person and \$5,600/family.	
What is not included in the <u>out-of-pocket limit</u> ?	<u>Deductibles</u> and <u>copayments</u> on certain services are not included in the above <u>out-of-pocket limits</u> applicable to medical <u>coinsurance</u> . Services rendered by <u>out-of-network providers</u> are not included in the above total <u>out-of-pocket limits</u> for medical services. Amounts attributed to the above total <u>out-of-pocket limits</u> for medical services are not included in the <u>out-of-pocket limits</u> for prescription costs. In general, <u>out-of-pocket limits</u> do not include penalties; charges that exceed the <u>plan's usual, customary, and reasonable fee allowance</u> or are in excess of stated maximums; <u>premiums</u> ; <u>balance-billing</u> charges; and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.asrhealthbenefits.com or call 616-957-1751 or 1-800-968-2449 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

- All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
